

# CREDENTIALING made **easy**™

**Are you looking to become ICF certified, renew your credential, or move up to the next level of accreditation?**

## **CREDENTIALING MADE EASY IS IDEAL FOR YOU IF YOU:**

- Need ten mentor hours to meet the requirements for the credential application.
- Are renewing your credential
- Want formative and 1:1 mentoring from an experienced MCC to sharpen your skills against the Competencies

## **HOW IS CREDENTIALING MADE EASY DIFFERENT?**

- A **FULL-ON PROGRAM** created to make you a better coach while easing your journey to becoming credentialed – *not* just ten hours reviewing the competencies.
- **The 37 behavioral competencies will be demystified. You'll learn how they weave together and flow in a recorded session.**
- You gain access to our online platform, which gives quick and easy access to the materials needed to gather all the required data for the application submission.

Simply put, this program puts you on the fast track to accelerate your coaching skills so you can move closer towards mastery.

**Your skillful feedback stretches me and makes me want to become a better coach! You are a great teacher. You make the behaviors easy to understand and apply. I am delivering more value to my clients as a result of working with you.” Cathy Mott, MCC**
